### Sheila Borneman Joins Estrella as Presidio Club Manager

We are pleased to welcome Sheila Borneman, our new Club Manager at the Presidio Residents Club. In this role, Sheila will foster a warm and welcoming environment and endeavor to make meaningful connections with Estrella residents and team members.

“I start each day hitting the ground running, with a positive attitude to make the most out of each day,” Sheila said.

A native of Glendale, California, Sheila obtained a paralegal certification from West Los Angeles College and a bachelor’s degree in communications from Woodbury University. She has served as a community manager in the Seattle and Phoenix markets, as a project manager for a private company and the State of California, and most recently, as community manager for a CCMC-managed community in Scottsdale.

Outside of work, Sheila volunteers with the McKenna Youth Foundation and Toys for Tots. She’s an avid reader of history-related novels, and makes custom gift baskets for friends and family.

### Transform a life, and your own

When she was a high school student, Amanda's liver failed and she required an emergency transplant. If not for the 27 red cells, 26 platelets and 59 plasma components she received, she would not have been able to become a nurse or have a family.

"Blood donors gave me the gift of life. Their generosity will always be a part of who I am. As a member of fact, they inspired me to become a nurse."
