ESTRELLA
BROKERS, LLC

Newland is the largest private developer of planned residential and urban mixed-use communities in the United States. We believe it is our responsibility to create enduring, healthier communities for people to live life in ways that matter most to them. www.newlandco.com

This is not intended to be an offer to sell or a solicitation of offers to buy real estate in the Estrella Community to residents of Connecticut, Hawaii, Idaho, New York, New Jersey, and Oregon, or in any other jurisdiction where prohibited by law. THE CALIFORNIA DEPARTMENT OF REAL ESTATE HAS NOT INSPECTED, EXAMINED, OR QUALIFIED THIS OFFERING. Certain properties may be registered with HUD, or may have registered components in the future as required pursuant to the Interstate Land Sales Full Disclosure Act. If such registration occurs, obtain the HUD Property Report, or its equivalent, required by Federal law and read it before signing anything. No Federal agency has judged the merits or value, if any, of this property. NNP III-Estrella Mountain Ranch, LLC and NNP III-EMR 4, LLC (collectively, "Fee Owner") are the owners of various parcels of land comprising the Estrella Community ("Community"). Newland is the development manager retained by the Fee Owner for the Community. Certain homebuilders unaffiliated with the Fee Owner or Newland are building homes in the Community. Fee Owner and Newland are not co-developing, co-building, or otherwise responsible for any of the obligations or representations of any of the Builders. Fee owner and Newland are in no way responsible for any obligations or representations of any of the Builders to third parties and/or homebuyers, and Fee Owner and Newland shall incur no liability whatsoever nor have any obligations or liability to any homebuyer regarding a home purchase from a Builder. Additionally, Fee Owner may seek to qualify its Community for offering and sale of property in states where prior out-of-state registration is required before lots, parcels, or interests may be offered for sale or lease to residents of such states, which states may have specific disclosures that must be delivered to prospective purchasers before the execution of any instrument related to the sale or lease of any real property interest in the Community. Builders have been informed of such state-mandated requirements and it is the obligation of such Builders to comply with all land sale registration regulations as mandated by their contractual relationships with Fee Owner and to distribute all applicable disclosures to prospective purchasers prior to or at execution of a contract of sale for real estate. Buyers of homes from any of the Builders waive, to the fullest extent permitted by law, any and all rights, claims, causes of action, and other rights whatsoever against Fee Owner and Newland arising out of their purchase transaction with the Builders. No guarantee can be made that development of the Estrella Community ("Community") will proceed as described. Some properties being developed in the Community may only be in the formative stages and are not currently constructed, but are envisioned for the future. Any information on such properties is presented to set forth certain prospective developments for general informational purposes only. All square footage is approximate. ©2019 Estrella.
