Tuesday Edition: Association News You Can Use

Estrella Has Seats and Feet Covered!

Estrella by Newland has learned that your thoughtful donations helped **raise nearly 48,000 pairs of new underwear and socks** to help men, women and children currently impacted by homelessness. Your generosity helped HomeAid Phoenix surpass its original goal of 30,000 donations! ***Thank you to all who donated!***

HomeAid Phoenix delivered donations to the Sojourner Center last week. For more than 40 years, the Sojourner Center has been a safe haven from domestic violence for women and

children across Arizona, especially now, as it is reporting an increase in cases of domestic violence as a result of the pressures the COVID-19 pandemic has placed on already difficult situations. As such, the demand for daily essentials like underwear and socks remains an urgent need. Thanks to Estrella residents, the women and children at Sojourner Center will have ready access to these resources when needed most.

In the days ahead, more underwear and socks will be delivered to address critical needs across the Valley. To stay updated, you may follow HomeAid Phoenix on [LinkedIn](#), [Instagram](#), and [Facebook](#).
