Friday Community Operations Update

This week, crews were busy making irrigation repairs, trimming trees and shrubs, removing weeds and inspecting the health of plants and trees in the **Mesquite Highlands, Saguaro Highlands, Links, Fairways, Palazzo, Mirador, Medina, Stone Canyon, Stone Gate, Soronno** and **Córdoba** neighborhoods.

BrightView teams have completed applying the non-toxic and environmentally-friendly turf colorant around North Lake and Starpointe Residents Club.

Click on the following links to read [BrightView's Weekly Report](#) and a **new and updated quarterly [Landscaping Schedule](#)** from BrightView. The updated landscape cycle schedule shows when BrightView will be working in Estrella's neighborhoods through March of 2021.

Remember, if you notice areas that need attention, there are a few ways to report concerns:

- Complete an electronic [Community Concern form](#) on the home page of www.LifeInEstrella.com. [Account login is required](#).
- Email [John](#) or [Elizabeth](#) in our Facilities Department.
- Contact the Community Services Office at (623) 386-1112 weekdays, 8:00 a.m. to 5:00 p.m.

Community Projects

COMMUNITY PROJECT

Plants around the basketball court
at Starpointe Residents Club
have been replaced.

PLANT INSTALLATION PROJECT

BrightView teams are installing plants
and shrubs to enhance the entryways
of 38 Estrella neighborhoods. To date,
plants have been installed at entrances
of 28 neighborhoods, including recent
installations at

**Golf Ridge, Golf Canyon and
Arroyo Vista.**

SOUTH LAKE FENCE PROJECT

Our team primed and painted the fencing at South Lake.

Friendly Reminders

ESTRELLA YACHT CLUB

The Estrella Yacht Club is open Friday-Sunday from 8:00 a.m until 4:00 p.m. It is closed Monday-Thursday. Residents can reach the

Yacht Club at

480-493-9166.

WATER METER REPLACEMENTS

The city of Goodyear is working with its contractor, Metering Services, Inc., to replace old water meters across the city. The work is scheduled to begin on

January 11, 2021.

Residents with water meters identified for replacement will receive notification in the mail prior to the replacement. The water meter replacement process at each home will take less than an hour and requires a short water disruption of about 10-15 minutes. Work will take place only at the water meter location and does not require access to other areas of the property or home. Prior to switching over the meter and shutting off water for a brief period, the workers will notify the resident by knocking on their door.

An FAQ about this program is available

at: www.godyearmeters.com/fags/.

Residents can also call the Meter Replacement Project Hotline at 602-532-6250.

The More You Know... Arizona Fun Facts

Yes, we know it's hot. And that it's a dry heat (and that it's still hot, regardless). But did you also know these fun weather and geology facts about the state you call home?

- Arizona has 3,928 mountain peaks and summits -- more mountains than any one of the other Mountain States (Colorado, Idaho, Montana, Nevada, New Mexico, Utah, and Wyoming).
- Arizona has 26 peaks that are more than 10,000 feet in elevation.
- Arizona's disparate climate can yield both the highest temperature across the nation and the lowest temperature across the nation ***on the same day.***

- Rainfall averages for Arizona range from less than three inches in the deserts to more than 30 inches per year in the mountains.
- The cactus wren is the official state bird. It gets its name from the fact that it likes to build nests in the protection of thorny desert plants, like the saguaro cactus (pictured above).

For more fun facts about Arizona, you can visit: <https://thetravelersway.com/>.
