Tuesday Edition: Association News You Can Use

The More You Know...

In last month's edition of the *Life in Estrella* magazine, we talked about the Community Services Office's recent conversion of our property management system to an enterprise called VMS. As the 2nd Quarter billing statements begin to arrive in mailboxes, you may notice some differences to your statement. The most notable change is your account number- you will see that it has changed. Please begin to use this account number with your payment.

Also, the vocabulary for the assessments is different. Please note that the "quarterly assessment" that was on your previous statements is now referred to as the "master assessment" and your "neighborhood assessment" is your gated community assessment, if you live in a gated neighborhood.

Paying Your Assessments:

To make an online payment through Union Bank, or to set up recurring payments, please click on the Association buttons below.

If your assessment payments are set up through your private banking institution, you will need to change your account number and the PO Box number in the mailing address.

The new mailing address for all Association payments is:

PO Box 533182, Atlanta, GA 30353-3182

For information on all payment options, please visit <http://ccmcnet.com/homeowners/payment-options/>

If you have questions about the process for paying your assessments, please contact the Community Services Office Monday – Friday, 8:00 a.m. to 5:00 p.m. at 623-386-1112.

For what it's Earth...

Earth Day Free Virtual Crafting Event

Thursday, April 22, 4:00-5:00 p.m.

Celebrate Earth Day with a virtual crafting event!

Kids will make and bake earth crayons following a live-led tutorial. While the crayons are baking, participants will fill in their posters and learn about how to reduce, reuse and recycle to help the earth.

The craft kits will have blue, green, and white crayons and a coloring poster available for pick up between **April 12-21** from the Starpointe Residents Club.

Parents are required to supervise since an oven will be used for this craft.

"Plant" Some Fun with These Upcoming Events!
