Getting the Gist of Guest Passes

You have guests coming into town. You want to bring them to the StarSplash Slides, the Resident Club Pools or the Estrella Yacht Club, but have questions on guest passes. Below is the info you need to know to help show your guests a great time in Estrella:

- Each household receives five free passes per year (renewed in January); one guest pass = one guest access to Estrella's amenities for that day.
- 2020 passes that were not used roll over to 2021.
- Guest forms must be completed **in person** at the front desks at Starpointe and Presidio by the owner/lessee.
- You may bring up to four guests per day to the large swimming pools and other water amenities located at the Residents Clubs.
- Once Guest Passes are utilized, you may purchase additional Guest Passes at the Starpointe and Presidio Residents Clubs.
 - If your guest will be using the pools at the Residents Clubs at least four days during a seven-consecutive-day period, purchasing the \$15 discount card is the most economical choice.
 - If your guest will be using pools at the Clubs only three days or less, is it best to purchase a single-day pass, which is \$5.00.
 - Guest fees apply to all guests aged four and up.
- Guest passes cannot be used at the lap pool at Starpointe or the Clubs' fitness centers at this time.

Have more questions? We've got answers! Please feel free to contact the Community Services Office at 623-386-1112, the Starpointe Front Desk at 623-386-1949, or the Presidio Front Desk at 623-322-7841 for additional information on Guest Passes!
