Tuesday Edition: Association News You Can Use

### Shining a Light on HERstory!

Did you know that March is National Women's History Month? To celebrate, we are giving a little extra attention to the strong, determined women in our community, as well as through history! The next time you visit the Starpointe Residents Club, be sure to stop by our display to learn some fun facts and read inspiring quotes from famous women in literature, science, music, business and art throughout history.

So that we can shine a light on HERstory, we would like to learn more about the phenomenal women in your life. Tell us about a mom, sister, daughter, aunt, grandmother, cousin, colleague, friend or boss who has inspired you personally or professionally so we can celebrate her and her positive impact on you all month long!

Simply stop by our display and drop your story in the trays provided or email your story to Communications Manager Karen Angelo at [kangelo@ccmcnet.com](mailto:kangelo@ccmcnet.com) and we will feature it on our social media and alongside the stories of the famous women we are celebrating over the next several weeks. And, if you submit a Phenomenal Woman story, you and the woman who

inspired you will be entered into a raffle drawing to win two books each that are designed to celebrate, motivate and encourage you during National Women's History Month and beyond.

We invite you to be part of our celebration of women in our community by sharing your story with us!
